Lili La Scala

"Pure Joy" - Adelaide Advertiser

Lili La Scala is a diminutive diva with a big voice. A devotee of vintage glamour, this doll-like starlet will seduce you with her pin-up looks and her nightingale voice. Opera, burlesque, vintage songs are only part of her wide and varied repertoire. She'll reveal more than just her voice...and blow your socks off.

Lili was brought up watching hours of black and white movies, and technicolour musicals. Entranced by the glorious costumes and luscious songs, she grew up determined to be a starlet.

Although Lili's heart is in London, where she is known as the 'Songbird of Trafalgar Square', Lili has been in great demand on the festival circuit worldwide, recent festivals include the Edinburgh Fringe, Adelaide Fringe, Brighton Fringe, The World Busker's Festival in Christchurch, Splore Music Festival and Gisbourne Busker's Festival, Winchester Hat Fair and Cork Midsummer Festival.

Lili's corporate clients are hugely varied, but include The Judicial Studies Board, Scottish Widows, Thompson Holidays, Christchurch Council, Southend United Football Club and Essex Cricket Club.

"Lili is an amazing performer with exceptional talents, both vocal and aesthetic. The performance was filled with glitz and glamour from beginning to end and left the audience in an absolute state of awe. There's no doubt we will be asking her to grace us with her presence again and again..." Milk & Honey

'Many thanks to Miss Lili for appearing for us: She held the audience entranced as she delicately tiptoed around a stage floor of broken glass! Her act and professionalism is an asset to any burlesque night – and certainly was an asset to ours.' Malcolm, Bump'N'Grindhouse, Cambridge UK

CURRENTLY TOURING

WAR NOTES

Are the roses blooming in Picardy? Will we gather lilacs?
Did that nightingale sing in Berkeley Square? You'll
know, 'cause you were there...

Be entranced by Lili la Scala as she sings for you,
'War Notes'. An emotive combination of the most
recognisable songs from wartime and the touching
letters sent by modern day soldiers who have been
killed in combat.

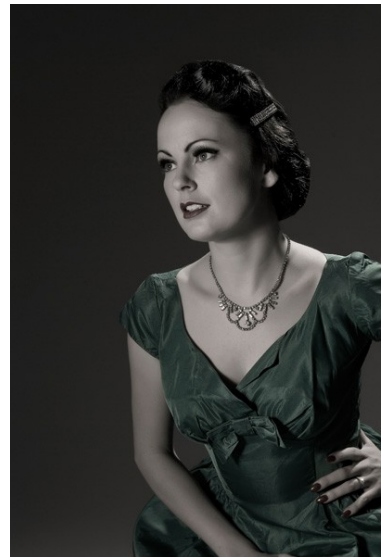

After street-performing all over the world, Lili decided
it was time to indulge her passion for vintage song,
and so 'War Notes' was born.
